

Bikesmith Maintenance Clinics are here!

BIKESMITH.CO
.nz

We are pleased to announce the long awaited return of our maintenance clinics.

Get your bikes running optimally all the time with our personalised tuition. You will receive the best advice on how to tune and maintain your own bike by our mechanics who have over 25 years combined experience! These will be commencing from Tuesday the 7th of July and we are planning on running them every Tuesday evening for three weeks depending on numbers.

Our groups will be small with six to eight people per evening and we encourage you to bring your own bike so we can make sure you get the most out of it. Tools and parts will be offered at 15% off on the night. A complimentary maintenance kit will be included along with some drinks and nibbles.

There are two different clinics available; we will have a 'On the trail/road' course and a 'Home maintenance' course. We will have a small presentation at the beginning for both clinics before we break into our respective groups. The course will run for around 90 minutes and will commence at around 6.30pm. Both courses are \$90.

Opening Presentation

- Headset adjustments
- Intro to derailleur adjustments
- Chain maintenance and wear
- Intro to brake adjustments
- Rear derailleur hangers
- Replacing tires and tubes

Clinic 1, On the trail/road:

- Chain breakages
- Emergency wheel truing
- Derailleur hanger alignments
- Derailleur cable adjustments
- Brake squeak and drag resolution

Clinic 2, Home Maintenance:

- Brake adjustment (in depth)
- Replacing brake pads (both hydraulic and mechanical)
- Derailleur adjustment (in depth)
- Shift and brake cable maintenance
- Diagnose chain & chain ring wear
- Changing chains

Either send us an email at

blyth@bikesmith.co.nz or call us on (09) 414-1923 if you're interested, and we'll keep you posted on confirmed times and dates. There are a limited number of positions available so make sure to get in soon!

Thanks for reading, and happy riding!
